

## Import Tax Payment

Product's Definition	After arrival of imported goods, buyer should arrange import tax for customs. In this case, Bank can help pro-cessing the import tax payment to tax office KPKN. If not required, credit facility will be required
Product's Benefit	It allows you to pay import tax through HSBC.  HSBC is online with State Revenue Module therefore your tax payment is directly directed to Tax Au-thorities
Product's Risk	Since bank only assists in processing import tax, importer is fully responsible for any error in payment
